JOHN FITZGERALD KENNEDY 1917 - 1963

In Memoriam

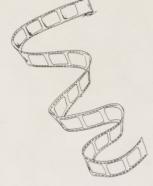

"And so, my fellow Americans: ask not what your country can do for you—ask what you can do for your country . . . Finally, whether you are citizens of America or citizens of the world, ask of us here the same high standards of strength and sacrifice which we ask of you. With a good conscience our only sure reward, with history the final judge of our deeds, let us go forth to lead the land we love, asking His blessing and His help, but knowing that here on earth God's work must truly be our own."

Dedication

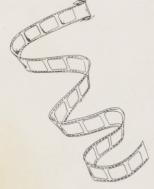

Idealism is a characteristic of youth, and hopes and dreams seem more than possible until it comes time to construct them in real life. At this stage of seeing the possible failure of your dreams, one can give up — or one can be encouraged, comforted, and helped by an unselfish friend. The class of '64 is very fortunate to have received the devotion and spirit of such a friend — a person whose career at Harry Ells began with our sophomore year, and thus has "grown up" with the class. In appreciation and gratitude for the countless hours spent at our class activities, for the personal concern displayed towards our problems, and for her optimistic attitude towards our generation, we, the Class of 1964 would like to give special recognition in our yearbook to Miss Henrietta Del Vecchio, as a small testimony of her concern for others.

SENIORS

History Of

SOPHOMORE OFFICERS:

he day was crisp and bright (they always are after summer's over). But there was something else — oh yes, **WE** were sophomores. No more junior high — we were sophisticated and watching the upperclassmen out of the corner of our eyes, we attempted to follow the "wise ways of the juniors and seniors. Followed, that is, until we discovered that anything they could do, we could do better. Now, here we are, looking back at the tradition we have followed, and the new ones we have started.

Led by Tim Clark, Pat Toti and Judy Aranda we set out to prove that we were the BEST.

Never Trust a Naked Bus Driver & Lady Chatterly's Lover and many other volumes were furtively smuggled out of the Sophomore Book Sale Stock, however, enough remained to make the event a financial success.

This was our first year of Rally's and when Jan Smith, our Sophomore Cheerleader said "hit it" we did—bottom that is, ending the rally season with a proud total of one win. Our spirits were raised at the Sophomore Hop, "Moon Light Stroll," our first formal dance.

Selecting Steve Granucci, Felice Ofril and Cheryl Christian for leaders during our "most difficult" junior year we again proved that we could "do better" with the Junior Rummage Sale, where, despite pouring rain, near-riots and attempted shoe thefts, we cleared over \$400.

And then there was the Junior Assembly-

Pom-Pon and Cheerleader try-outs ended with Carol Harris and Pat Mooney as our heads.

Palm trees, topa cloth, leis and flowers were begged, borrowed and yes, even stolen to make TABU'S decorations some of the best ever. Then in a flurry of campaign elections we chose Jim Ellis, Charles Jackson and Anita Hall to lead our final year at Harry Ells.

Class Of '64

SENIOR OFFICER'S

Football season was hightilghted with the crowning of Homecoming Queen Karen Hoffman and Royal Attendents Cheryl Christian, and Rebanel Daniels.

We started the new year all right with "Begin The Beguine" held at the romantic Athens Club, and continued celebrating our Senior status with the Senior Banquet. THEN came our most triumphant moment as Seniors . . .

Our spirits reached their peak on the weekend of March 12th, 13th and 14th, at the greatest Tournament of Champions ever. The 1964 Tournament of Champions was the greatest ever because our "expert" EAGLES lassoed the Salinas Cowboys, clawed the Fremont Tigers, and completely clovered the Sacred Heart Irish to take the TOC title!

Silence reigned over the entire California Gym during the presentation of team trophies, individual all-tourney players awards, and best rooting section trophies. On the night of March 14th, a very proud Ells Student Body walked away with the championship team trophy for the first-place team, honors for landing three Eagles on the all-tourney team, and a trophy for the best rooting section. The 1964 Tournament of Champions marks a great first in the history of Harry Ells.

Leap year arrived, and it was the girls' turn to supply dance tickets and corsages at the traditional Sadie Hawkins Dance.

We then moved into the final stages of high school life, and switched our discussions from transcripts and job worries to the oncoming picnic and the Ball to be held at the Mark Hopkins. Most of all, we looked forward to commencement night and the knowledge that our high school days would be over.

Early in 1959, Mr. Baughman, Ells mathematics instructor and Mr. Johnson, counselor, envisioned a need for a scholastic program, which struggling, yet technically-minded College-Prep students could enter. It was from the endeavors of these two gentlemen that the current Richmond Plan was conceived. With the assistance of Cogswell Polytechnical College of San Francisco, its vice-president Mr. Feldman, and two foundation grants, the now nationally recognized Richmond Plan was begun at Harry Ells and De Anza high schools.

In the Spring of '62, the last semester of Ells' Class of '64 sophomore year, thirty students were chosen to be in the new Pre-Tech program. These students, the first of their kind, were closely observed as scholastic guineapigs by education and industrial executives throughout the U.S. Much was learned in that first two semesters which led to the construction of a yet better curriculum for the succeeding, class of '65, Pre-Tech students.

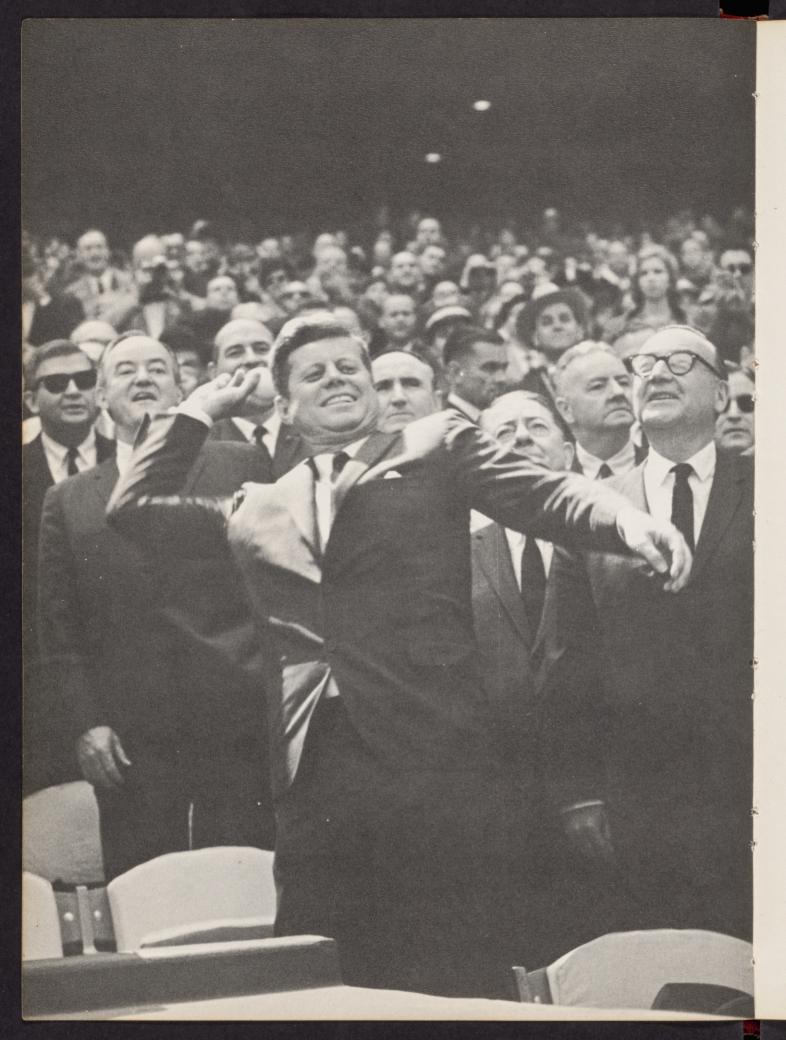

Now, at graduation, the products of the first Pre-Technology course will prove whether or not their two years at Richmond Plan students will end in success. Oddly enough, but absolutely no detriment to the course, is the fact that many of the graduating Pre-Tech pupils intend to enter a line of work or college in pursuit of fields other than that of Technology. Business, oceanography, law, forestry, architecture, and the humanities are all fields which the various Richmond Plan graduates intend to follow.

Season Summary

The Eagles of 64' failed to live up to their pre-season expectations. It can be said in their favor however, that the ACAL was the strongest that it has been in many years. The Eagles breezed through their practice game 20-0 and then lost their first league encounter to tough Alameda 14-0. Next came the highlight of the year as Ells controlled the game completely but one 84 yard screen pass was enough to give Berkeley a 7-7 tie. This was the only mark on an otherwise perfect record for the Berkeley gridders. The mighty Eagles then began to jell as they downed both Pacific and Encinal. In the remaining five league games all that could be managed was a 0-0 tie with Richmond and we wound up with a 3-4-2 record overall. Two Eagles were selected to the All-League team. Larry Slagle made offensive tackle and Greg Lee defensive end.

Season Summary

Emmett O'Neill's J.V. Gridders finished the season with a 5-4-1 record. This is one of the best Junior Varsity seasons in the past few years. The best game of the season was a 13-6 victory over our close rivals Richmond High School. A season long standout for the team was tailback Nick D'Alessio. He was a consistent performer all season long. Kevin Leong, J.V. center, moved up to the varsity the last few games and played starting linebacker. Calvin Lee was the mainstay of the line at tackle. The 5-4-1 record may not seem too impressive but many J.V.'s played on the varsity squad from week to week. The expected loss from this year's team may not be as great as most are inclined to think. Ells can look forward to great things next year.

Senior's

Three years ago, five sophomores, Carl Adams, Vince Clemons, Gary Loyd, Ken Moore, and Wes Russell entered Harry Ells High School. All five had one thing in common — the ability and desire to be part of a winning basketball team. Since these five athletically inclined youths joined together in complete unison under the watchful guidance of head basketball coach Ron Kamb, Ells High School has enjoyed its greatest moments in the world of sports.

First it was the B basketball title they captured as sophomores in 1962, then four of the young men played a great part in their junior year as they lead the Eagle cage team to the Gridley Invitational Tournament where the team woud not settle for second best and surprised all of the experts by taking the championship trophy home with a decisive win over powerful Bishop O'Dowd.

It was then that the Eagles set their sights on the respective championships of the Alameda County Athletic League and the schoolboy dream of all prep basketball players, the Tournament of Champions at the University of California gym at Berkeley.

Both goals were a long way off, but the team and the coach knew that by combining their respective talents and the will-to-win their hopes and aspirations for the 1964' Ells High basketball team would no longer be a young sophomore's dream, but reality achieved through the hard work and constant determination of five seniors and a man named Kamb.

The work began in the summer prior to their senior year when, while other students were enjoying their vacation, the boys who were to make up the schools basketball team were competing in the Shields Park and Live Oak summer basketball leagues with more than just moderate success. The caliber of the competition was very rugged indeed, but the success which

the summer version of the team enjoyed is proven by the trophies the team members now posses.

The official cage campaign of the team has two highlights, a February

IKE JONES—An excellent dribbler and playmaker, 1ke could have been playing first team on any other club.

VINCE CLEMONS—The team quarterback, led the Eagles in assists and was a true clutch player. He received: Honorable Mention All-A.C.A.L.; All-T.O.C., Independent's "Player of the Week"; and the East Bay sport writers voted Vince the "Prep of the Week."

CARL ADAMS—Ells' high scoring forward, Carl led the A.C.A.L. in scoring, chosen All-A.C.A.L. first team, All-St. Elizabeth's Tourney, All-T.O.C. of the Week."

Other achievements were wins over rugged opponents such as St. Ignatius, Clayton Valley, McClymonds, Fremont, St. Elizabeth's and the setting of a new school record of 103 points against Alameda. The latter is all the more amazing when one remembers that high school teams only play for 32 minutes, about half the length of games in the professional ranks.

On February 28th, De Anza and Ells met to decide the ACAL championship and the best representative for the TOC. To no one's surprise, Ells emerged with the schools first outright championship and the TOC berth.

After breezing past Salinas in their tourney opener, Ells came from 13 points behind to pull out a sliff banger over Fremont and set the stage for the March 14th championship show-down with San Francisco's highly rated Sacred Heart.

As the two teams took the court most observers were curious to see if Ells could even make a good showing against the supremely confident Irish. But starters Adams, Lloyd, Russell, Moore and Clemons, the strong bench of Mills, MacFarland, Jones and Hall and above all Coach Ron Kamb, knew that as usual they would not settle for second best, and proceeded to prove that they were not only the best team in the tournament, but the best team in Northern California, with their following victory — the greatest in the history of Harry Ells High School.

It brought to an end the high school career of those five sophomores of three years and it also closed out the greatest season an Ells High cage team has ever enjoyed as their 24-6 record and the number 2 ranking in the entire state of California proves.

GARY LLOYD—An excellent shooter and rebounder, Gary was named All-A.C.A.L. first team; he received the Independent's "Player of the Week" award; and the East Bay writers' "Sportsman of the We ek."

SUMMARY

Under Coach Clark Wilde, his first year as coach, the J.V.'s had a very successful season as they completed the A.C.A.L. season in second place.

Most valuable player this year was Ollie Ellisen, the 61 jumping jack. Other team members who played a very important part in their fine season were: Craig White, Louis Wright, James Williams, Frank Byias, David Farr, and Marvin Jones, Lenord Farr.

Highlight of the J.V. season as White, Wright, Byias, Ellison, suited up for the varsity and along with Carl Adams beat the El Cerrito varsity 67-58.

The prospects look very good for next year's varsity although it will be hard to fill in for the champion EAGLES of '64. But if the team can stay together and get a few good breaks they have the material to go all the way.

The '64 Edition of the Harry Ells "B" team once again showed the great ability of the Ells coaching staff. They played a great brand of ball which was worthy of an older, more experienced team.

The coaching of Ed Collins at 7:00 A.M. and great determination won them a second place to rival De Anza.

The league's second leading scorer was OUR own Charles Caines. On the last day of the season he was held to just a few points and narrowly lost the scoring crown. Gary Lucas was also one of the top scorers and is a prospect for next year's varsity. These two, along with the top rebounder Levi Hill, had stiff competition from Mike Simmons, Ed Forcum, Greg Hill and Stanferd McClellan.

EDDIE EVANS

The Eagles this year had a very promising team in the running events but not in the field events.

Heading the Eagles this year was Ricky Rogers, the hurdles and broad jump champ of the A.C.A.L. As usual the Fordham brothers, Dale and Dennis excelled in the distance runs, Mardell Spencer and Eddie Evans in 100 yd. dash and Robert Redditt and Rogers in the broad jump. A late starter, Louis Wright hit 6'3" in the high near the end of the season.

Team honors earned by the Eagles this season were a 5th place finish at the El Cerrito Relays, 1st place in the All-City Meet and a very close third in the A.C.A.L.

The Harry Ells Mermen had one of the finest teams in their history. They finished the duel meet competition with an 9 and 1 record which they carried into A.C.A.L. finals, bringing home a third place finish.

In the early going the Ells Mermen were lead to victories over the Albany, Washington and De Anza teams by the seasoned veterans Chuck Schultz, John Patnott, Tom Bishop and distance man, Don West.

Then many of the younger and less experienced began to show the great coaching ability of Bill Randolph. Seniors Robert Roark, Gary Brieger, Jay Frances, Lonnie Egger, Jim Yoder. Juniors: Joel Peterson and Rick Bold and Sophomores: Kent Calfee and Carl Guggolz.

This was a great team, led by a great coach. This was a fine way to end the best year ever at Harry Ells High School by the class of '64.

"Walk together . . . talk together all ye peoples of the earth . . . then and only then shall ye find peace."

What makes a club successful?

It is enjoyment, education, enthusiasm, exchange students, or just a motto.

The Harry Ells High School Chapter of American Field Service this year had all five.

Led by president Glen McCormack, the club proved its enthusiasm by initiating a new tradition at Harry Ells, the A. F. S. Week. This year the week of February 3 to 7 was dedicated to activities for the raising of funds with which to bring an exchange student from abroad to Ells next year.

The exchnage students, Ivar Leivestad from Bergen, Norway, and Felice Ofril, an Ells student who spent his summer in Finland, told of their travels and certainly supplied both enjoyment and education.

Yet it is the motto and the role our chapter played in supporting an organization which is dedicated to world peace through understanding that is most remembered about this year's American Field Service Club.

HARRY CO.

Mike clutches his eau de toilette.

Spring cleaning brings the annual Junior fund-raising event: the Rummage Sale. The Class of '65's excess of rummage resulted in two fabulous sales, netting precious dollars for senior activities next year. Decked in official Rummage hats, the joyous juniors added a new twist to rummage selling by parading up and down the 'Main' calling customers to their terrific bargain sale.

Junior

''Campbell's the tender-hearted tenderly tender-hearted, Campbell's the tender-hearted—tender-hearted beans.''

So--oo, Mr. Nordstrom did contribute to the Rummage Sale.

Naw, I only do this for kicks. I'm really Peter Pan.

Who me? As Hoss Cartwright?

Alright Dave, let's see if you can pull a rabbit out of that!

Soph Hop

"Now it's Pepsi, for those who think young," but we wonder . . .

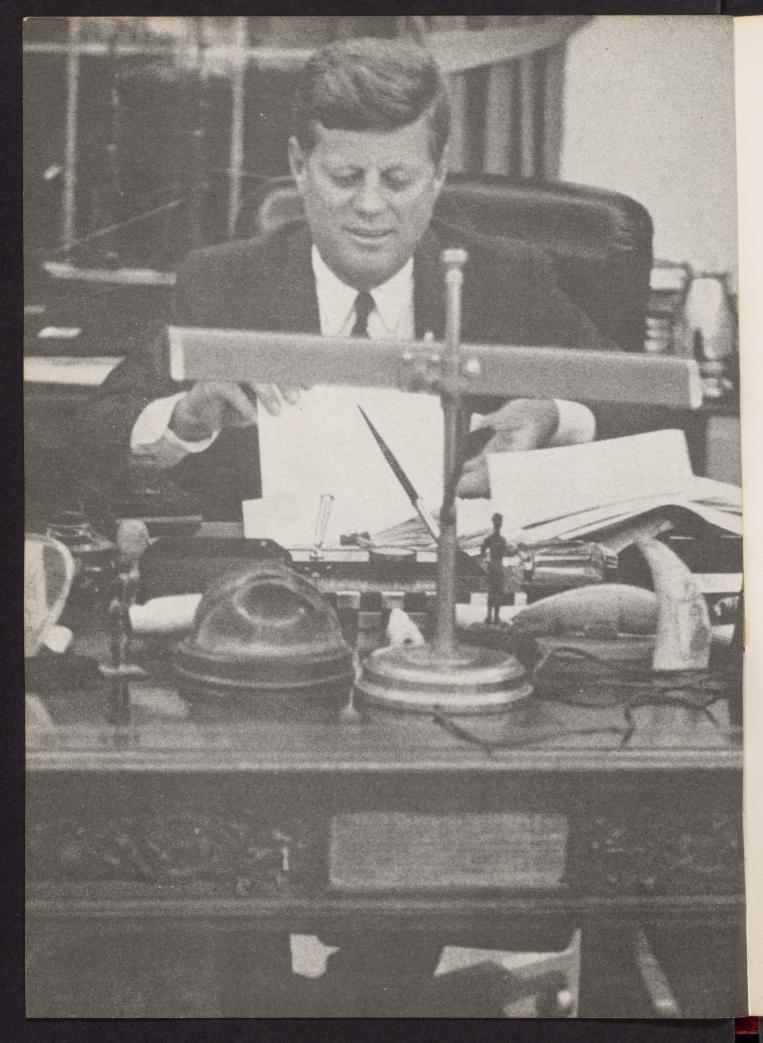

With the festive flavor of a French Mardi Gras, the Class of '66 presented the annual Soph Hop on Friday evening, March 6th. The gaily decorated gym hosted a sophomore crowd bigger than any other ever at Ells. Could that be because this year's class is the largest ever at Ells?

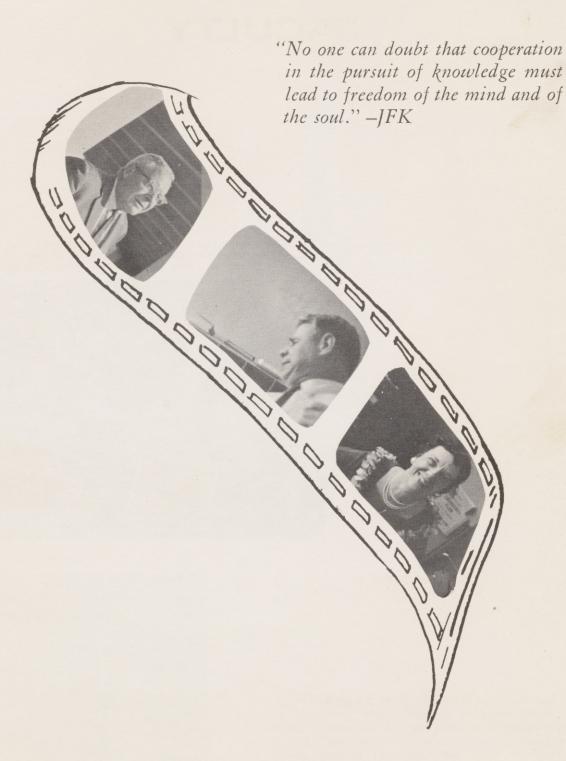

. . . and Rob McGovern won the limousine. That's the problem with compacts, eh Rob?

"People all around, but I don't hear a sound—just the lonely beating of my heart." At least thats what it looks like, Harold.

FACULTY

FACULTY

BELOW, Left to Right: Mr. Biernes, Personnel director of the Richmond Union High Schol District; Mr. Bagnes, Boys' Dean; Mr. France, Instructional Vice Principal; Mr. Pascoe, Principal.

The faculty at Harry Ells High School are those people who the students seem dedicated to annoying. Yet, somehow, at the end of each school year, it turns out that the various teachers have succeeded in accomplishing their major purpose . . . they have taught the students something that the students did not already know.

Deans

Although Deans always seem to be synonomous with disciplinary action, here at Ells they are associated with something more. A summons to the dean can mean that some particular honor has been bestowed upon you. Girl's and Boy's State nominees are informed of their triumph by the deans. Exchange Student information is also given out by them.
